## Overview

---

Luxury Villa Cecile is a magnificent 3 level villa at the top of the property with undisrupted view of the colorful Cycladic sunsets. The modern decorated terrace enjoys the sun and the breeze all day long while its pergolas are ideal for any time of the day. Its unique setting offers an amazing view of the Aegean Sea and the island of Delos.

The Villa enjoys an exclusive use of a 64m<sup>2</sup> (689ft<sup>2</sup>) infinity pool (heated at an extra cost), comfortable sunbeds and pergola-shaded areas, as well as an outdoor dining area with a marble table and a traditional woodfire BBQ.

The view is nothing short of spectacular being that it is panoramic. You will enjoy sunsets over the gulf of Ornos Bay, and towards the island of Delos, which the ancient Greeks were particularly enamored with because of the powerful energy that it emanates. The endless shades of blue of the Aegean Sea are sure to both inspire and relax you.

Luxury Villa Cecile provides cleaning and security services on a complimentary basis.

The distances are also extremely convenient: only an 8 minute drive from Mykonos Town, 10 minutes to the airport, just 4 minutes to Psarrou beach and the ever popular Nammos and about 10 minutes to Scorpios.

Add to all of this specialized concierge services, and all-in-all you are looking at possibly one of the most top-end experiences available on the island.
