Overview

Luxury Villa Elpida enjoys a bird's eye view of the islands of Delos and Rhinia, a majestic drop to the sea and the picture perfect Mykonos sunset. The villa was named "Hope" after the final item in Pandora's box, the brilliant view from the villa inspires that and more.

The property boasts an outdoor BBQ and an outdoor dining & lounging area (sunny & shady all day long), all in front of the 55 m2 infinity pool that flows off into the Aegean horizon and you are still less than a three minute walk to the sea.

Luxury Villa Elpida is uniquely ideal for 2 couples, or families with children as it is all on one level. A main entrance, dining room, living room and kitchen, on the pool level, leads to 2 bedrooms that share a bathroom.

Both bedrooms have balcony doors providing pool access. The brilliant white interiors and exteriors and the subtle tasteful decorations reflect the Mykonian elegance the island is known for, so you can totally immerse yourself in the spirit of the island.

The refurbished luxury estate has daily, complimentary maid service- so you don't lift a finger, 24/7 CCTV monitoring at the periphery of the estate- so unauthorized people are detectable, Netflix to quench your thirst for relaxed adventure, flat screen TVs so everyone can watch, back-up generators to face the frequent local electric shortages, a desalination plant so you can ignore the frequent local water shortages, and a 24/7 gate-access control. The pool can be heated for a fee.
