Overview

Villa Seaview is one of the top luxurious and comfortable villas in the island of Mykonos. The villa is located in Aleomandra facing the deep blue waters of the Aegean sea, the historical island of Delos and its colorful sunsets. The villa is impeccably designed to combine modern style with traditional Mykonian architecture.

The house is surrounded by various spacious white-stone terraces and relaxation areas as well as a huge pond-style waterfront infinity pool. In the pool, the beautiful marble deck with comfortable sun-chairs promise a relaxing morning and afternoon and the two spacious outdoor dining and BBQ areas are perfect for cocktail parties and open-air dinners.

The living room is decorated with elegant and modern white furniture. The fully equipped kitchen and formal dining area feature large windows and balconies overlooking the pool and the sea, offering a panoramic view of the Aegean even while indoors. One master bedroom with TV and safe and one double bedroom, with en suite bathrooms each, are located on the ground floor. The upper floor features a master bedroom with TV and safe and 2 similar bedrooms, all having their own en suite bathrooms and private terraces.

A guest house with a kitchen, bathroom, double bedroom, TV and living room area is located outside the house and can be accessed by a separate entrance. The villa is fully equipped and serviced with housekeeping and additional chef and waiter services can be arranged upon request.
